A 5K WALK IN THE PARK!

Hello!

We are excited about our 12th Annual 2023 Addus Walking for Dreams Fundraising Event! It's a 5k Walk in High Park on Sunday, September 10th, 2023. Our dedicated and committed staff, participants/families and friends of Addus are gearing up to participate in this year's event! We are "crazy busy" working hard to strive to make this year's goal of \$15,000 come true and we need your help!

Addus is a registered charitable organization and we make it our mission to empower and support young adults with **developmental disabilities** to actively participate in their community as they take charge of their own lives.

By donating you are saying **YES** to your ability to affect a positive change in someone's life. *You are helping to realize some of our participants' goals and dreams* and helping them to make their own change in the world – because everyone matters!

These are just a few examples of the **many** possibilities your donation can help support to make a participant's dream come true:

Working At Starbucks Learning To Cook Volunteering At Scott Mission Learning About Rights And Responsibilities Creating And Selling Art in the Community Getting Fit At A Local Gym Learning How To Use The TTC Developing Friendships...And The List Goes On!

Donating is easy! Choose what suits you best!

All donations are 100% tax deductible.
